- **Curt stated that the Cross was not a key issue for the community**
- **Bud Swanson suggested an amendment to Craig’s original motion: “The Cross is not in our jurisdiction of the RPG, no one has brought the issue forward under our RPG policy. Bring it to the County first, if there is no resolution then to the RPG. This has not happened. The matter should be dropped. The motion passed 11 yeas 2 abstentions.**
- **Curt Nicoliasen made a motion that we should write a letter to Code Enforcement and clarify that that the RPG was not focused at all on the Cross. Our concern is the large signs on I-15 at the entrance to Rainbow and San Diego County. The motion carried 11 yeas, 2 abstentions. Curt will draft the letter.**

The meeting was adjourned at 9:15 PM
